**Things you should know:** Only the most recent payment for each business will be shown. All regular payments also appear in your statement transactions for the relevant month.

You saved \$29.03  
last month in international  
transaction fees with your  
Awards card.

This is because your card is free of international transaction fees. The savings shown are the international transaction fees you would have paid had you used other CommBank credit cards for the overseas transactions you made this statement period.
